Erratum

In the March 2015 issue of Anesthesiology Clinics (Volume 33, Issue 1), in the article “Pathophysiology of Major Surgery and the Role of Enhanced Recovery Pathways and the Anesthesiologist to Improve Outcomes” by Michael J. Scott and Timothy E. Miller, the source of Figure 1 was excluded from the figure legend. Figure 1 originally appeared in Critical Care Clinics (Volume 26, Issue 3) in the article “Enhanced Recovery After Surgery: The Future of Improving Surgical Care” by Krishna K. Varadhan, Dileep N. Lobo, and Olle Ljungqvist.
